

VICTORY DRILL BOOK

Reading Program

Worksheets

by Andrea Carstensen

The 150 Victory Drill Book Worksheets and answer pages are designed to give page by page practice in mastery of phonetic rules which govern pronunciation and the spelling of words. These worksheets have been created by teachers skilled in the teaching of reading.

Victory Drill Book

The Victory Drill Book offers an immediate edge in developing life-shaping skills by providing a systematic approach to high speed phonetic reading. Designed for either a total-class or individualized approach, the Victory Drill Book is as effective in a home-school setting as in a structured classroom, producing outcomes that will help ensure students' ongoing success in every other segment of their education.
